

## Employment - Change of employer

\* Do you have a residence permit for the purpose of employment or an EU Blue Card?

\* Does your work permit specify a particular company?

\* Do you want to change company?

Then please apply to have your residence permit for the purpose of employment or EU Blue Card amended. Please note, however, before our instructions.

\*Note:\* Your residence permit for the purpose of employment/your EU Blue Card does not have to be amended, if you

\* have already worked for at least two years with a residence permit for the purpose of employment \*or\*

\* you have resided continuously in Germany for at least three years with a residence permit (except for study)

\*and\*

\* in addition, no time limit is fixed by law for your type of employment (such as, for example, in the case of speciality chefs or within the framework of an exchange of personnel of an internationally operating company).

You can then move to another skilled employment without prior approval. The Foreigners Registration Office will provide you with written confirmation of this on request.

\* Do you still work for the same employer, but something has changed, for example the name of the company or of your job? Also in this case your residence permit EU does not need to be changed. Then please read our "fact sheet for foreign workers" (see below in section "More information").
