

Real estate loan broker - permit

Anyone who intends to arrange for consumer real estate loan contracts or equivalent financing tools (real estate loan broker) on a commercial basis or who wishes to provide advice to third parties about such contracts (remunerated real estate loan consultant) requires permission from the competent authority.

This applies for typical real estate financing (house building, house or apartment purchase, reconstruction, extension and refurbishment measures, loans for securing a property). It does not apply to brokerage of savings contracts.

Staff members of real estate loan brokers, who perform tasks in this area, must also be registered in the Register of Brokers.

The CCI Berlin is in charge of registrations for companies based in Berlin.

Remunerated real estate loan consultants must not work as real estate loan brokers and vice-versa.

You must choose one of the two types of work which must be indicated in the Register of Brokers.

A separate [<https://service.berlin.de/dienstleistung/126914/>brokerage permission]] is required for brokering other types of consumer loans.

A separate [<https://service.berlin.de/dienstleistung/327479/>permit as a financial investment broker]] is required for brokering participation loans, subordinated loans and crowd funding.

In the case of business partnerships (e. g. GbR, OHG, KG), each managing partners is considered a business person. In the case of legal entities (GmbH, UG or AG) permission is granted to the company.
