# Insurance intermediary - apply for permission

If you wish to work as a self-employed insurance intermediary, you need a permit from the Chamber of Industry and Commerce (Industrie- und Handelskammer - or IHK).

**You are an insurance intermediary** if you work as:

1. insurance agent or
2. insurance broker.

For this, you need a permit from your local Chamber of Industry and Commerce.

In addition to obtaining permission, you must also register in the insurance intermediary register (see "More information"). You can apply for entry in the register of insurance intermediaries at the same time as you apply for permission.

## 1. As an **insurance agent**:

- you broker insurance contracts for one or more insurers on a professional basis and
- as its property manager, you are on the side of the insurance company on the basis of an agency agreement.

## 2. as an **insurance broker**:

- you independently broker insurance contracts on behalf of clients and
- you are on the side of the customer as his guardian of interests.

## **Special features for foreign nationals.**

If you are a foreign national with a branch in another member state of the European Union (EU), you must register in that country. You do not need a permit in Germany, nor can you register in the German insurance intermediary register.

The same provisions apply to foreign nationals from non-EU countries as to German nationals. These also apply to EU nationals who register a corresponding trade exclusively in Germany (see "More information").

## **Procedure:**

1. You must apply for the permit before starting the activity. The application can be submitted online. Please complete the application completely, upload the required documents and submit it.
2. The relevant authority will check your details and documents and, if necessary, request any missing information. You will receive guidance on the next steps and be informed of the processing status by email.
3. If all requirements are satisfied and the necessary documents are provided, you will receive a fee notice and the permit. If not all requirements or necessary documents are satisfied, your application will be rejected and a fee will be charged. In this case, you can find the reason for the rejection in the notification from the relevant authority.
