Residence permit on humanitarian grounds - extension

A residence permit granted on humanitarian grounds may be extended if these grounds continue to exist.

The main reasons for granting a humanitarian residence permit may include:

- admission under a resettlement program,
- recognition by the Federal Office for Migration and Refugees as entitled to asylum or as a refugee under the Geneva Refugee Convention,
- the existence of a ban on deportation, an obstacle to departure, or a case of hardship.

Procedure

1. Carry out the online application.

- Please have all the necessary documents ready for this in PDF format if possible. However, you can also still photograph and upload the documents during the application process using your smartphone or tablet. The following file formats are accepted: PDF, JPG, JPEG, and PNG. The total size of your files must not exceed 100 MB. A single file must be a maximum of 7 MB in size.
- If you have a travel document for foreigners, refugees, or stateless persons, you can also apply for its renewal in the online application.
- The online application is extensive, so it takes some time to complete. However, you can interrupt the application at any time, save it temporarily and resume it at a later time.
- At the end you will receive a PDF document to confirm your application. This document will certify that your current residence permit remains valid in the federal territory beyond the previous validity date. This does not apply if your current residence permit has already expired on the day of application.
- Please therefore make sure to save this document and print a copy if possible.
- **Important note for families:** The application can only be submitted for one person at a time. Does your spouse and child or children live with you in Berlin and also need to extend their residence permit? If so, separate applications must be submitted for each of them.

2. Once you have carried out the online application, we will check it and then contact you as soon as possible.

- Where necessary, we will request further documents.
- If you have to pay fees for your residence permit and/or the reissuance of a travel document, you will receive a payment request by email. Please pay the fees within 14 days.

3. If your application is considered to be successful, you will be given an appointment. Please bring the originals of all the necessary documents with you to this appointment.

Prerequisites

- **Possession of a valid residence permit on humanitarian grounds**
 - Your residence permit was issued on one of the following legal bases: Section 22, Section 23, Section 23a, Section 25, Section 25a, or Section 25b of the Residence Act (AufenthG).
 - The application for extension can be submitted at the earliest 8 weeks before the residence permit expires.
 - If you have a residence permit for refugees from Ukraine pursuant to Section 24 AufenthG, you cannot use this application. For information on the residence permit procedure, please visit the Ukraine portal of the Senate Chancellery of the Governing Mayor of Berlin (see section "More information").
- **Humanitarian ground continues to apply**

The residence permit cannot be extended if the humanitarian ground no longer applies, for example because recognition as being entitled to asylum or as a refugee by the Federal Office for Migration and Refugees (Bundesamt für Migration und Flüchtlinge) has been withdrawn or there is no longer an obstacle to departure.
- **Possession of a valid passport or passport substitute**
 - Holders of a humanitarian residence permit must also have a recognized and valid passport or passport substitute from their country of origin. However, this does not apply if it can be proven that a passport or passport substitute from the country of origin cannot be obtained in a reasonable manner.
 - In particular, it is considered reasonable to apply to the competent authorities of the country of origin in good time for the issuance or renewal of the passport or passport substitute and to pay the fees specified for this. In the case of foreigners who have been recognized as entitled to asylum, refugees, or stateless persons, it is generally unreasonable to expect them to obtain a passport.
 - If you already have a travel document for foreigners, refugees, or stateless persons, you can apply for its renewal using the online application form.
- **Main residence in Berlin**
 - You live in Berlin. A second residence in Berlin is not sufficient.
 - Your residence permit was issued by another immigration office and includes the requirement to take up residence in the area covered by that other immigration office? In this case, your residence permit cannot be extended by the Berlin Immigration Office.
- **Current email address**

The Berlin Immigration Office will contact you via your current email address. Please also check your spam folder regularly.
- **For the payment of fees: Consent to the electronic payment process**

The following methods of payment are available to you:

 - Credit card (Visa, Mastercard)
 - Paypal
