Permanent settlement permit for children aged 16 years or older - application

You were born in Germany or moved to Germany with or to your parents as a child?
And you have held a residence permit for at least 5 years?

Then, you will be granted a permanent settlement permit upon application if you meet the conditions listed under "Prerequisites".

Procedure

1. Please note the following information before submitting an application:

- **Please use the Quick-Checks first (under "Do it online now")** to find out quickly and easily whether your application is likely to be successful.
- Check once again whether you meet all the requirements and have the documents and evidence listed in the "Documents required" section.
- The online application is extensive, so it will take some time to complete. However, you can interrupt the application at any time, save it temporarily and continue at a later date.

2. Carry out the online application „Niederlassungserlaubnis für Kinder (ab 16 Jahre)“

- Please have all the necessary documents ready for this in PDF format if possible. However, you can also still photograph and upload the documents during the application process using your smartphone or tablet. The following file formats are accepted: PDF, JPG, JPEG, and PNG. The total size of your files must not exceed 100 MB. A single file must not exceed 7 MB in size.
- Before you can send off the application, you need to pay the service fee.
- At the end you will receive a PDF document to confirm your application. This document will certify that your current residence title remains valid in the federal territory beyond the previous validity date. (This does not apply if you hold a Schengen visa (C visa) for a short-term stay).
- Please therefore make sure to save this document and print a copy if possible.

3. Once you have carried out the online application, we will check it and then contact you as soon as possible. Where necessary, we will request further documents.

4. If your application is considered to be successful, you will be given an appointment for an in-person interview.

- Because of the high number of applications, however, this can take some time. We ask you for your understanding and patience.
- Please bring all documents in the original specified in the invitation letter.
