# Residence permit for foreigners with a long-term residence in an EU member state

Foreigners who are entitled to possess the legal status of a long-term resident in an EU member state will be granted a residence permit if their stay within the territory of the Federal Republic shall last longer than three months.

Foreigners entitled to long-term residence are those who hold a residence permit (under EU Directive 2003/109/EG of 25.11.2003) bearing the designation "permanent residence EG" or "permanent residence EU" in the respective official language of the issuing EU member state.

Excluded from this are holders of a residence title issued by Great Britain, Denmark and Ireland, since these EU member states do not apply the corresponding EU directive 2003/109/EG dated 25.11.2003.

The general prerequisites for issuing a German residence permit, such as a secure livelihood, apply without restriction.

The residence permit allows gainful employment dependent upon the predominant purpose for which the residence shall serve (e.g. studies, employment, self-employed activity). The §§ 16-21 of the residence law shall be applied analogously.

## Prerequisites

- **The legal status of a person with long-term residence entitlement in another EU member state**
  - The right to claim a residence permit exists as a matter of principle only then when in another EU member state a residence permit has already been issued (pursuant to the EU directive 2003/109/EG dated 25.11.2003) bearing the wording "permanent residence EG" or "permanent residence EU" in the respective official language.
  - As a rule, a temporary residence permit without this additional note is insufficient.
  - Only in exceptional cases can the status of long-term residence entitlement be proved by written confirmation issued by the competent authorities of the other EU member state. The residence permit may only be granted on a discretionary basis.
- **Main residence in Berlin**  
([https://service.berlin.de/dienstleistung/120686/de\\_plain/](https://service.berlin.de/dienstleistung/120686/de_plain/))
- **Personal appearance by appointment is required**
  - Please contact the relevant unit using the contact form to make an appointment (see section "More information").

## Documents required

- **Form "Antrag auf Erteilung eines Aufenthaltstitels" (Application for Issuance of a Residence Permit)**  
Available in German, English, French, Italian, Greek, Turkish, Vietnamese, Spanish, Portuguese, Russian, Serbian, and Bosnian;

only to be completed when applying for the first time.

- **Valid passport with long-term residence ("permanent residence EU" or "permanent residence EG") of the other EU member state**
- **1 current biometric photo**

Please note:

- Since May 1, 2025, biometric passport photos may only be taken digitally at government offices or photo studios and transmitted via a secure electronic channel.
- Please check the website of the Berlin Immigration Office (see "More information") for the latest information in good time before your appointment.

- **Proof of Income**

e.g.

- lease,
- for students: escrow account at a German Bank or submission of a declaration of commitment by a third party on an official form,
- bank statements of the last 3 months

- **Documentation regarding the intended purpose of stay (original)**

e.g. certificate of enrolment, employment etc.

- **In certain circumstances: Form "Erklärung zum Beschäftigungsverhältnis" (filled out)**

As a rule, a temporary residence permit for the purpose of employment may only be granted if the Federal Employment Agency has agreed to this.

- **Health insurance**

- **Proof of main residence in Berlin**

- Certificate of registration at the main residence or
- lease and written confirmation of occupancy from the landlord

More on the topic in the section "More information".
