Real estate loan broker – Apply for permission

Anyone who wants to broker the conclusion of real estate consumer loan agreements or corresponding financing aids on a professional basis (real estate loan broker) or advise third parties on such agreements (fee-based real estate loan advisor) requires a permit from the competent authority.

This includes typical real estate financing (house construction, house or flat purchase, conversion or extension or renovation measures, loans to secure a property). The brokerage of building society contracts is not covered by this.

Employees of real estate loan brokers who are employed in this area must also be **registered in the broker register**. Registration takes place at the Berlin Chamber of Industry and Commerce for companies based in Berlin (see "more information").

Fee-based real estate loan consultants are not allowed to work as real estate loan brokers and real estate loan brokers are not allowed to work as fee-based real estate loan consultants. They must choose one of the two types of activity, which is then also clearly shown in the register of intermediaries.

For the brokerage of other consumer loans, a licence as a loan broker according to § 34c GewO is required (see "more information").

For the brokering of participatory loans, subordinated loans and swarm financing, you need a separate licence as a financial investment broker pursuant to § 34f GewO (see "more information").

In the case of partnerships (e.g. GbR, OHG, KG), each managing partner is a trader; in the case of legal entities (GmbH, UG or AG), the permit is granted to the company.
