# Shop opening hours - notify exceptions for special reasons

In Berlin, sales outlets may open around the clock (6 days/24 hours) from Monday to Saturday. On Sundays and public holidays, sales outlets must always be closed. Exceptions to this principle are regulated by the Berlin Shop Opening Act, for example for sales outlets that serve the needs of tourists, for Sundays and public holidays that are open for business or on the occasion of special events.

Exceptions are not possible for special Sundays and public holidays such as New Year's Day, 1 May, Good Friday, Easter Sunday, Whitsunday, Remembrance Day, Sunday of the Dead, 24 December if it falls on an Advent Sunday and public holidays in December and no more than a total of two Sundays and public holidays per month.

## Procedure

1. If you wish to notify shop opening hours - exceptions for special reasons, you must do so at least two weeks in advance. You can submit the notification by post or online. Please complete the notification in full.

2 The competent authority will check your details and ask if anything is missing. You will receive instructions on the further procedure and will be informed of the status of your application by e-mail.

3. If all conditions are met and all documents have been submitted, you will receive a confirmation. If not all conditions are met or documents are missing, you will receive corresponding instructions from the competent authority.
