Residence permit for qualified skilled workers with an academic education

A skilled worker with an academic education is issued a residence permit to carry out any qualified employment.

The temporary residence permit is issued for up to four years. If the employment contract has a shorter term or if the approval of the Federal Employment Agency is limited to a shorter period, in an individual case the temporary residence permit will be issued for less than four years and extended.

Procedure:

1. Carry out the online application.

- Please have all the necessary documents ready for this in PDF format if possible. However, you can also still photograph and upload the documents during the application process using your smartphone or tablet. The following file formats are accepted: PDF, JPG, JPEG, and PNG. The total size of your files must not exceed 100 MB. A single file must be a maximum of 7 MB in size.
- Before you can send off the application, you need to pay the service fee.
- At the end you will receive a PDF document to confirm your application. This document will certify that your current residence title (national D visa or residence permit) remains valid in the federal territory beyond the previous validity date. (This does not apply if you hold a Schengen visa (C visa) for a short-term stay or if your current residence title has already expired on the day of application.)
- Please therefore make sure to save this document and print a copy if possible.
- **Note:** Do your spouse and child live with you in Berlin and need a residence permit? Then please do not submit a separate application. Simply enter your family members in the spaces provided in the online application. The Berlin Immigration Office will contact you regarding residence permits for your family members.

2. Once you have carried out the online application, we will check it and then contact you as soon as possible. Where necessary, we will request further documents.

3. If your application is considered to be successful, you will be given an appointment for an in-person interview. Please bring the originals of all the necessary documents with you to this appointment.

Prerequisites

- **Legal residence**
 - You are already residing in Germany with a residence permit or another residence title (e.g., a national D visa). Or, based on your nationality, you are entitled to apply for a residence permit after visa-free entry.
 - Applications for a residence permit extension can be submitted no earlier than four months before its expiration date.

- **Employment contract or specific job offer**

There should already be an employment contract, or at least a draft.

- **Employment in Germany**

An employment relationship in Germany must be established. In addition, the employer must have a place of business in Germany.

- **Approval of the Federal Employment Agency**

As a rule, a temporary residence permit for the purpose of employment may only be granted if the Federal Employment Agency has agreed to this.

- **Occupation practice permit**

If a permit is required for professional practice (e.g. doctors, engineers), the person in question must prove they hold that permit or that it has been promised before the temporary residence permit is issued.

- **Equivalence of qualification**

The issuance of a temporary residence permit as a qualified skilled worker requires that the person in question hold a German higher education degree, a recognised foreign higher education degree or a foreign higher education degree comparable to a German one.

- In the Anabin database of the Central Office for Foreign Education (Zentralstelle für ausländisches Bildungswesen – ZAB) you may enquire whether a foreign higher education degree is recognised in Germany.
- If the database contains no meaningful information, applicants must apply to ZAB for an individual paid evaluation of their degree and submit that evaluation.

More information on this subject can be found in the “More information” section

- **An adequate retirement pension scheme (only if you are over 45 years of age)**

For the issuance of the temporary residence permit as a qualified skilled worker, as a rule persons over the age of 45 must have an adequate retirement pension scheme.

- The salary must correspond to at least 55 per cent of the annual calculation limit in the general pension insurance scheme. For the year 2026, this corresponds to a monthly gross income of at least 4,647.50 euros.
- The salary may be lower if an adequate retirement pension scheme has already been secured from other public or private sources.

- **Adequate health insurance**

(https://www.berlin.de/einwanderung/_assets/merkblatt_zur_krankenversicherung_englisch_.pdf)

You have health insurance in Germany, either in the statutory health insurance system or a comparable private health insurance.

Foreign health insurance is not sufficient. For more information, please read the leaflet.

- **No indications of a threat to public safety or order**

- Fines alone can prevent the granting of a residence permit.
- An application for a residence permit may not be processed while investigation proceedings are ongoing.
- You pose no threat to the free democratic basic order or the security of the Federal Republic of Germany.
- You are not involved in acts of violence in pursuit of political or religious goals, do not publicly call for the use of violence and do not

threaten to do so.

- **Main residence in Berlin**

You live in Berlin. A second residence in Berlin is not sufficient.

- **Current email address**

The Berlin Immigration Office will contact you via your current email address. Please also check your spam folder regularly.

- **For the online application: Consent to the electronic payment process**

The following methods of payment are available to you:

- Credit card (Visa, Mastercard)
- Paypal

Documents required

- **Application for a residence permit for employment as a skilled worker**

- only possible online
- You will receive a PDF document to confirm your application. This document will certify that your current residence title remains valid in the federal territory beyond the previous validity date. (This does not apply if you hold a Schengen visa (C visa) for a short-term stay or if your current residence title has already expired on the day you apply.)
- Please therefore make sure to save this document and print a copy if possible.
