Tax consultancy - Apply for recognition as a tax consultancy company

If you wish to operate a tax consultancy firm, you must submit an application for recognition. Recognition also establishes compulsory membership of the Chamber of Tax Consultants.

You can apply for recognition here.

Both partnerships and legal entities can be considered as the legal form of the company to be founded for a tax consultancy firm.

Note

Prior to entry in the commercial or partnership register, it is strongly recommended that you obtain confirmation from the relevant Chamber of Tax Consultants that all requirements for recognition have been met with the exception of entry in the commercial or partnership register. If the application for recognition is rejected, a written notification will be issued.

Procedure

1. Submit an 'Application for recognition as a tax consultancy company'. You can do this online or by post
2. Submit the complete application documents to the Berlin Chamber of Tax Consultants and pay the fee.
3. The Chamber of Tax Consultants will then check whether you fulfil the requirements and decide on your application.
4. You will be recognised by receiving a certificate, which will be sent to you by post.

If you have any questions or need help with your application, the contact persons at the Berlin Chamber of Tax Consultants will be happy to provide you with further information.
