Anerkennung ausländischer Berufsqualifikationen als Sozialarbeiter/in / Sozialpädagoge/in beantragen

Social workers and social education workers focus on preventing, handling and solving social issues. They provide advice and assistance to individuals, families or certain groups of people who are dealing with difficult circumstances.

Social workers and social education workers work, for example, at counselling centres, schools, youth support facilities, in general social services for social, health and youth support centres, hospitals, addiction help centres, anti-discrimination support centres, contact and meeting centres, psychiatric facilities, facilities for people with disabilities, facilities for senior citizens, correctional facilities, etc. They can work for public or independent organisations, for authorities, businesses, or as freelancers.

Social-education professions are regulated in Berlin and in Germany. This means that to perform such jobs you require state approval. This approval can be granted, if you apply for your professional qualification to be reviewed to determine equivalence. The review of equivalence takes place based on the provisions of the law regarding the recognition of qualifications in caring professions (Sozialberufe-Anerkennungsgesetzes (SozBAG)).

Prerequisites

- **Foreign professional qualification**

You have obtained a comparable professional qualification abroad in the field of social pedagogy.

- **Application for determination of equivalence**

You have not applied for recognition in another federal state to date.

- **Personal suitability**

(<https://service.berlin.de/dienstleistung/120926/>)

According to § 5 of the law regarding the recognition of qualifications in caring professions (SozBAG), state recognition cannot be granted if you have been found guilty of any serious offences that are associated with untrustworthiness to practise the profession. To verify this, we require an extended certificate of good conduct for presentation to an authority pursuant to § 30 a of the Central Federal Register Law (BZRG). Any previous convictions are listed on the certificate of good conduct. State recognition can be granted if the certificate of good conduct has no entries.

- **German language skills**

(<https://www.europaeischer-referenzrahmen.de/sprachniveau.php>)

To receive state recognition, your German skills must be at least at level C1 of the common European framework of reference for languages.

Documents required

You can either submit your application online or use the form.

A copy of your certificate of your professional qualification in the original language, including a detailed overview of teaching subjects and hours (diploma supplement/study book) in theory and practice.
Please enclose a German translation of these documents.
