Residence permit for the employment of certain nationals

Citizens of certain countries can be granted a residence permit to work independently of qualification as a skilled worker.

Citizens of the following countries are eligible:

- Australia, Israel, Japan, Canada, the Republic of Korea, New Zealand, the United Kingdom of Great Britain and Northern Ireland and United States of America (Nationals of these countries can obtain a residence permit after entry without a visa.)
- Albania, Andorra, Bosnia and Herzegovina, Kosovo, Monaco, Montenegro, North Macedonia, San Marino, Serbia (Nationals of these countries require an entry visa that was issued for this job by a German agency abroad.)

The residence permit is issued for the duration of the approval granted by the Federal Employment Agency. A new approval from the Federal Employment Agency is required to extend the residence permit or when changing employers.

Please note: Are you a specialist with academic education or vocational training? Then please refer to the "More information" section to find out which residence title might be more suitable for you.

Procedure:

1. Carry out the online application.

- Please have all the necessary documents ready for this in PDF format if possible. However, you can also still photograph and upload the documents during the application process using your smartphone or tablet. The following file formats are accepted: PDF, JPG, JPEG, and PNG. The total size of your files must not exceed 100 MB. A single file must be a maximum of 7 MB in size.
- Before you can send off the application, you need to pay the service fee.
- At the end you will receive a PDF document to confirm your application. This document will certify that your current residence title (national D visa or residence permit) remains valid in the federal territory beyond the previous validity date. (This does not apply if you hold a Schengen visa (C visa) for a short-term stay or if your current residence title has already expired on the day of application.)
- Please therefore make sure to save this document and print a copy if possible.
- **Note:** Do your spouse and child live with you in Berlin and need a residence permit? Then please do not submit a separate application. Simply enter your family members in the spaces provided in the online application. The Berlin Immigration Office will contact you regarding residence permits for your family members.

2. Once you have carried out the online application, we will check it and then contact you as soon as possible. Where necessary, we will request further documents.

3. If your application is considered to be successful, you will be given an appointment for an in-person interview. Please bring the originals of all the necessary documents with you to this appointment.
